

SOUTH EUGENE / COMBINED HIGH SCHOOL SKI TEAM

Athlete Code of Conduct and Participation Contract

In order to participate in the South Eugene / Combined High School Ski Team (Eugene Ski Team), each athlete and the athlete's parents agree to the following:

In the event a Eugene Ski Team athlete uses, sells, distributes, or possesses alcoholic beverages, marijuana, narcotics, tobacco, or other illegal substances during the ski season (beginning with the first dry-land training and extending to the last team race), the athlete will be expelled from the team.

Suspension from the Team will result from the following:

- Dangerous and/or out-of-control skiing
- Disruptive behavior, rude behavior, abusive language
- Inappropriate/disrespectful behavior towards coaches, other team members, parents, race officials, or skiers from other teams
- Vandalism or fighting during any Team function.

Expulsion from the team will result from any repeat offense. Any athlete expelled or suspended from the team will not be entitled to a refund of fees paid to the Team.

Athletes under 18 years of age are not permitted to drive to or from races or on-hill training. Athletes and parents of athletes recognize the risks associated with driving on mountain roads in winter conditions and release the Eugene Ski Team from all liability associated with driving to or from ski races or on-hill training. Athletes who have a valid driver's license are permitted to drive to dry land training.

Failure to participate in dry-land training or on mountain training could result in not being seeded for league races. Exceptions will be made on a case-by-case by the coaches.

In order to be able to participate in any OSSA sanctioned events, the racer must meet all school and/or school district academic and athletic requirements.

COVID-19

For the health and safety of all athletes, coaches, and parent volunteers we will follow Governor Brown's mandate that mask/face covering be worn indoor for any activity related to ski training, racing, or conditioning. Masks must fully cover the nose and mouth. Masks should not have distracting pictures or words on them and should be in line with the student dress code. In addition, athletes must follow any additional rules related to masks/face coverings mandated by their respective school and by Mt. Bachelor, Willamette Pass, or any other ski area in which they are training or racing.

Student racer signature: _____

Student Name: _____ Date: _____

We as parents of the athlete have read the above Code of Conduct and agree to its requirements.

Parent Signature: _____ Date: _____
